Website: www.rianalytical.com

This list of water testing companies is comprised of Massachusetts DEP certified testing labs that have submitted analyses to the Sherborn Board of Health in the past. It is no way to be considered as recommendation(s) by the Board of Health, and may or may not be complete. The Commonwealth of Massachusetts, Department of Environmental Protection, certifies water testing laboratories, and a complete list of certified laboratories can be accessed on their website:

<http://public.dep.state.ma.us/Labcert/Labcert.aspx>

Be sure to verify the scope of parameters for which each testing laboratory is certified.
