

Medical Equipment is available to all Sherborn residents. If you are going to have surgery, consider contacting the COA before you purchase a commode, walker, cane, grab bars, crutches, etc. We'd be happy to loan what we have to you. We can even deliver the medical equipment to your door, if you need us to! Just give us a call at 508-651-7858 or email us at [coa@sherbornma.org](mailto:coa@sherbornma.org).

MassEDP provides adaptive telephone equipment to people who have difficulty using the telephone due issues such as hearing loss or vision loss. This enables them to have the opportunity to enjoy clear, independent phone communications and the ability to contact 911 in the event of an emergency. The specialized telephone equipment is offered to people with a permanent disability for little or no cost, depending on income level. These disabilities include: deaf/hard of hearing, blind/low vision, motion, cognitive, and speech.

**There are three eligibility requirements:**

1. Residency in Massachusetts
2. Permanent disability that can be verified by a MA physician
3. Residential phone service

There are several different types of equipment, each offering special benefits based on disability. MassEDP Field Advisors are available for on-site presentations at your facility.

For more information and a complete list of equipment, please visit [www.massEDP.com](http://www.massEDP.com) or call 1-800-300-5658.
