**TAX AID DONATION**  
(TAX DEDUCTIBLE)

At the April 2000 Town Meeting, it was voted to accept Article 31 offering residents the opportunity to make a donation for the purposes of defraying the real estate taxes of Sherborn's elderly or disabled persons of low income (M.G.L. Chapter 60, Section 3D). This voluntary, tax deductible donation may be in any amount (but not less than \$20, please). If you would like to donate, please complete the bottom section of the form and mail it to the Tax Collector (checks made payable to the Town of Sherborn). A receipt will be mailed to the donor. Because of the generosity of some residents, we have been able to grant tax aid money. We wish to thank our contributors.
