Topic: Open Space Committee Vacancy

The Open Space Committee is looking for volunteers to fill seats on their Committee.

The Open Space Committee was recently re-activated in 2015 by the Board of Selectmen. This Committee consists of 7 members. The Committee's primary goal is to produce an updated Open Space and Recreation Plan (OSRP) to replace the old 2007 Plan as required by the State of Massachusetts every ten (10) years.

The Committee is currently reviewing MA State requirements, identifying areas of the 2007 Plan that should be updated and is beginning the revision process.

If you are interested in learning more about this committee or would like to file an application for consideration of appointment please contact:
