To either of the Constables of the Town of Sherborn in said county, GREETINGS;

In the name of the Commonwealth of Massachusetts you are hereby directed to notify and warn the inhabitants of Sherborn qualified to vote in Town Meeting to meet in the LINDQUIST COMMONS of DOVER/SHERBORN REGIONAL DISTRICT HIGH SCHOOL in DOVER on Monday, October 24, 2016, at 7:00PM and to be adjourned to or such other dates as may be determined then and there to act on the warrant articles described.

ARTICLE 3. To see if the Town will vote pursuant to General Laws Chapter 41, Section 2, to increase the number of members of the Board of Health from three to five, or take any other action relative thereto. (*Molly Cullum and 133 others*)

ARTICLE 4. ESTABLISHING QUALIFICATIONS TO SERVE ON THE SHERBORN BOARD OF HEALTH:

It is in the best interest of the Town of Sherborn that members of the Health Board be experienced, credentialed health professionals or environmental scientists, so that they are equipped to interpret scientific data and analysis, and can fulfill the charge of every Health Board, pursuant to Mass General Laws, which isto make decisions which will be in the interest of "the public health" for the benefit of Sherborn residents, Sherborn's natural resources and the community as a whole.

Massachusetts Boards of Health "are responsible under the Massachusetts General Laws, both state and local regulations, for disease prevention and control, health and environmental protection, and for promoting a healthy community". These are statutory and service responsibilities.

Therefore, as citizens of Sherborn, we propose that the Town of Sherborn establish minimum credentials for serving members of Sherborn's Board of Health to effectively execute this mandate to promote public health. (*George R. Morgan and 150 others*)
