 - . Tuesday, August 5th the exterior of the windows will be washed by Champion Cleaning.
 - . I will be looking for sales in July to replace the chairs in the gazebo area. If you notice some ads, let me know.

- AFHMP is proceeding forward. We were unable to do the presentation on June 26th. A date will be scheduled in July.

Public Comment

- Black ants have been seen in the foyer in building one, ant hills in the grass behind the building. The threshold in building one has some rotted wood.
- An email was sent to all residents that the State requires that the railroad notify Public Water Suppliers that they will be controlling the vegetation on their right of way with herbicide products during the summer months. A resident requests what will be sprayed and when and what product? Has the Board of Health been contacted? Claire will inquire since this notice has been sent to residents annually.

The meeting adjourned at 3:19 PM.

Respectfully submitted,

Claire M. McClennan, Managing Agent
