Hi Zach,

I would like to respond to Dan Hill's letter of January 2nd where he describes the design as having "*no turnaround area for emergency vehicles*".

Prior to submitting our revised site layout to the ZBA, I shared it with Chief Zach Ward of the Sherborn Fire Department. We had good conversations about the design and I made a few minor improvements based on his input.

I would be happy to ask Chief Ward for a simple letter indicating his review and comfort with our plans from a public safety perspective. Please let me know if that would be helpful.
